# Tim E. und Pizzabote

A person in a grey hooded jacket and dark pants stands on the left side of the frame, looking towards the camera operator.

A person in a grey hooded jacket and blue jeans is bent over, adjusting a camera mounted on a black tripod.

A person in a black quilted jacket, black pants, and a black beanie stands on the right side of the frame, holding a tablet.

A professional video monitor is mounted on a silver stand in the center of the room. The monitor displays a red and green status indicator.

A boom microphone is suspended on a black stand, positioned near the window. The stand has the brand name "RODE" visible on its leg.

A large window with a white frame occupies the upper portion of the image, showing a view of trees and foliage outside.

A white radiator is located under the window on the left side of the room.

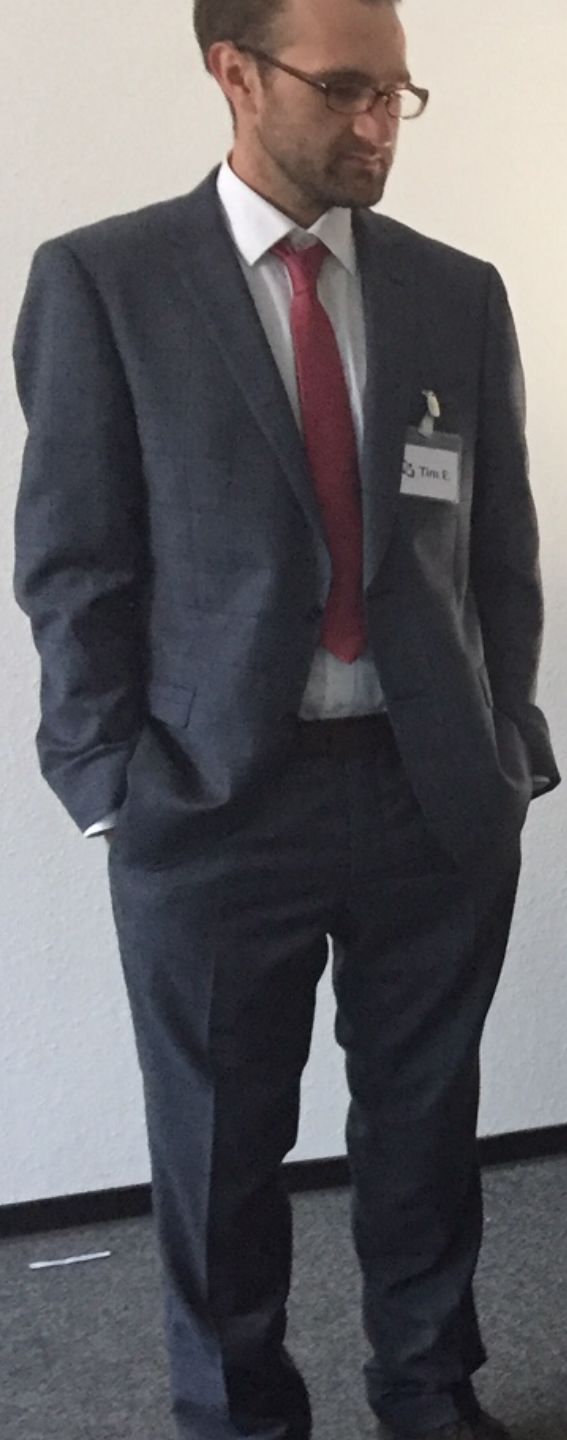

A circular object, possibly a lens cap or a small disc, lies on the grey carpeted floor near the tripod.

A power supply unit or generator is visible on the floor in the bottom left corner, with several cables connected to it.
